

THE GLOBAL GEODETIC REFERENCE FRAME

#GGRF / @unggrf / unggrf.org

Welcome to the Roundtable on geodetic reference frames at #LandConf2016

The extent and value to nations and the increased economic benefit of implementing the Global Geodetic Reference Frame will be highlighted in this session alongside its role in underpinning the Sustainable Development Agenda.

Wednesday, 16 March 2016: 4:30 pm – 6:00 pm

**Location: MC 2-800, World Bank HQ,
Washington D.C.**

Session chair: Vanessa Lawrence

Panel: John Dawson, Hussein Farah,
Zuheir Altamimi, Anne Jørgensen,
Laila Løvhøiden, Gregory Scott
